

Family Educational Rights and Privacy Act (FERPA)

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he/she reaches the age of 18 or attends a school beyond the high school level. Schools may disclose, without consent, "directory" information. If you would like further information or for NCK Tech to be able to discuss "non-directory" information with a parent/guardian, spouse, or employer you will need to fill out the [FERPA Release Form](#).

Tuition and Fees

Our current tuition and fee rates are as follows; General Education - \$136.00/credit hour, Technical Education - \$146.00/credit hour, Online Education - \$153.00/credit hour, and Concurrent Education - \$109.00/credit hour. Tuition and fees are determined in August, so changes may occur for our fall semester courses. There are additional fees for technical education and science courses. Please refer to the [Estimated Cost Chart](#) for more specific information. For students who are under the age of 18 your parent or guardian must sign the [Financial Responsibility](#) form before your enrollment can be finalized. If your parent/guardian doesn't wish to sign the form your enrollment can be finalized by paying in full with cash, cashier's check, or a money order.

Prerequisites and Test Scores

Some courses require test scores or prerequisites in order for students to be successful. These courses include [English Composition I](#), [English Composition II](#), [Intermediate Algebra](#), [College Algebra](#), [Elementary Statistics](#), [Anatomy & Physiology](#), and [Microbiology](#). Test scores or transcripts are required before enrollment is finalized. For questions regarding prerequisites and test scores please contact our Registrar, Judy Heidrick, at jheidrick@ncktc.edu or (785) 738-9058.

Financial Aid

Students must be enrolled in a certificate or degree seeking program to be eligible for financial aid. Attendance is also mandatory to secure your aid. It will be checked one week after courses begin to determine eligibility. If the student has not participated in courses financial aid will not be awarded. Please refer to our [Financial Aid](#) page if you have any questions.
