

Technical Honor Student Information

This award is for graduating seniors who are currently attending high school

To be considered for this award, you must be referred by a current or former high school teacher, counselor or administrator. The referral should outline your characteristics and abilities that indicate you possess superior work ethic, honesty, motivation and skill development in the program area that you are pursuing at NCK Tech.

Steps to apply for the Technical Honor Student Scholarship:

1. Submit NCK Technical Honor Student Scholarship Application form.
2. Submit a brief summary of your educational and career goals.
Please list any awards you have received.
3. Submit documentation of college placement test scores.
(ACT, ASSET, COMPASS or ACCUPLACER)
4. Submit current copy of high school transcript.
5. Contact the NCK Tech instructor of the program you plan to attend to schedule a time to discuss and demonstrate your skills and abilities.

Technical Honor Scholarship recipients will sign a “Letter of Intent” as recognition of their accomplishment.

- All application information must be submitted by **April 10th, 2020** to be considered for the award.
- This is a one-time award and is not renewable.
- Maximum scholarship will be \$1000 and is awarded in two disbursements (fall/spring).
- Students must maintain a 2.5 grade point average to receive the second disbursement.
- Students who do not achieve Technical Honor Student status will be considered for the Departmental Scholarship award.
