Estimated Cost:

required tools: \$600

optional tools:\$900

All tools together :\$1400

Note: Estimated costs reflect current market value and are subject to change.

INFORMATIONAL NOTES:

If you are going to research & gather the tools yourself you might want to look at pre-assembled kits and build off of them adding items not included.

When purchasing these tools you will want a bag, backpack, tote, etc. to put your excess tools in. there is limited space in the tool belts. All brands of tools specified on this list are chosen for warranty, quality, and longevity if used properly. You are not required to pick a Brand from the above list, they are suggested. Tools on the optional list WILL BE used in the electrical field outside of NCKTC Program, they are not required for the program.

Vendor Information:

Tool vendors will be available during Registration and Tool Days on campus. Tools may be purchased from **Boettcher Supply, Stanion Wholesale Electric, Border States Electric** and **Home Depot** or where specified tools are sold. Please feel free to contact the Department Chair with questions or for further information.

Please contact the Department Chair, Sam Bailey; sbailey@ncktc.edu or 785-301-2248, with questions or for further information.
