Estimated Cost: required tools: \$600 optional tools:\$900 All tools together :\$1400

Note: Estimated costs reflect current market value and are subject to change.

INFORMATIONAL NOTES:

If you are going to research & gather the tools yourself you might want to look at pre-assembled kits and build off of them adding items not included.

When purchasing these tools you will want a bag, backpack, tote, etc. to put your excess tools in. there is limited space in the tool belts. All brands of tools specified on this list are chosen for <u>warranty</u>, <u>quality</u>, <u>and longevity</u> if used properly. You are not required to pick a Brand from the above list, they are suggested. Tools on the optional list <u>WILL BE</u> used in the electrical field outside of NCKTC Program, they are not required for the program.

Vendor Information:

Tool vendors will be available during Registration and Tool Days on campus. Tools may be purchased from **Boettcher Supply**, **Stanion Wholesale Electric**, **Border States Electric** and **Home Depot** or where specified tools are sold. Please feel free to contact the Department Chair with questions or for further information.

Please contact the Department Chair, Sam Bailey; <u>sbailey@ncktc.edu</u> or 785-301-2248, with questions or for further information.
